

LUBRICANTS™

POWER TO PERFORM™

HP MILCY EUROL 15W 40

DESCRIPTION

Heavy duty multipurpose diesel engine oil specially designed for new generation heavy duty diesel engines fitted with emission control devices. The product carries the accreditation of API CG-4.

MEETS REQUIREMENTS OF

- API CG-4
- ACEA E3-96 Issue 4 (2002)
- ACEA B3-98 Issue 2 (2002)
- MTU Type 2
- Volvo VDS-2
- MB 228.3
- MAN 3275

APPLICATIONS

The oil is suitable for use in super charged and turbocharged diesel engine.

FEATURE & BENEFITES

- Excellent control on high temperature deposits
- Exeptional thermal & oxidation stability

PHYSICO-CHEMICAL PROPERTIES (TYPICAL)

Kinematic Viscosity, cSt, @ 100°C	14-16
Kinematic Viscosity, cSt, @ 40°C	104
Viscosity Index	130
Pour Point °C	-30
TBN, mg Koh /gm	10
Flash Point, COC, °C	236

Approved by leading diesel engine/vehicle manufacturers like ASHOK LEYLAND.
