HP NEO SUPER 5W 30

High Quality Engine Oil for Modern Cars

DESCRIPTION

HP NEO SUPER 5W 30 is a high-quality engine oil specifically designed for modern cars running on Petrol/LPG/CNG.

It is manufactured from finest quality paraffinic base stocks and state of art additive technology to meet the requirements of API SF/CF specifications.

APPLICATIONS

HP CRUISE NEO 20W 40 is recommended for various models of Passenger Cars running on Petrol/LPG/CNG requiring SAE 20W 40 grade engine oil with API SF performance. It can also be utilized in diesel cars requiring API CF performance level.

SPECIFICATIONS

API SF/CF

PERFORMANCE BENEFITS

- Outstanding engine cleanliness & enhanced engine life
- Excellent lubrication over a wide temperature range
- High engine durability
- Lower oil consumption
- Better fuel efficiency

PHYSICO-CHEMICAL PROPERTIES (TYPICAL)

Kinematic Viscosity, cSt, @ 100 °C	11.3
Viscosity Index	120
Flash Point (COC) °C	240
Pour Point °C	-24
TBN mg KOH/gm	6.6
