POWER TO PERFORM™

HP RACER PRO 10W 30

Super Premium Quality Motorcycle Engine Oil

DESCRIPTION

HP RACER PRO 10W 30 grade is a super-premium quality motorcycle engine oil made to cater to the highly demanding lubrication requirements of modern 4-Stroke geared bikes. It is manufactured from finest quality paraffinic base stocks and state of the art additive technology and meet stringent requirements of API SN and JASO MA 2 specifications.

It provides superior protection for engine, clutch and gears of a motor cycle which helps you to derive the best performance from your bike all the time, while ensuring high engine durability.

APPLICATIONS

HP RACER PRO 10W 30 is recommended for new BS VI compliant geared 4-stroke bikes manufactured by most of the reputed manufacturers like Hero Motors, Bajaj, Yamaha, Honda, Suzuki, TVS, Royal Enfield, etc. It is also recommended for use in previous engine models as well.

FEATURES & BENEFITS

- Suitable for BS VI compliant bikes
- High engine durability
- High fuel efficiency
- Low oil consumption
- Lower maintenance cost
- Longer oil & engine life

MEETS REQUIREMENTS OF

- API SN
- JASO MA 2

PHYSICO-CHEMICAL PROPERTIES (TYPICAL VALUES)

HP RACER PRO	10W-30
Kinematic Viscosity @ 100°C, cSt	11.0
Viscosity Index	130
TBN, mg KOH/gm	7.5
Flash Point, COC, °C	230
Pour Point, °C	-30
